We, the members of the Senior Class started our high school career with 33 enthusiastic students. In this group were three students who spent 12 years together, they were Guriene Heida, Charles Olson, and Joseph Stedronsky. Class officers chosen were James Skelly, President; Bill Rohla, Vice President; and Rose Schuldt, Secretary-Treasurer; with Mrs. Stekly as the Advisor. Achievement during our freshman year included solists Joe Stedronsky, Maxine Mitchell, and Guriene Heida with the balance of the class being well represented in the school curriculum.

Our sophomore year found eight members of the previous class missing. Three students Dolores Fillaus, Bonny McGuire, and Charles Trantina enrolled from Dante High School so this brought the enrollment up to 28 members. Class officers elected were Charles Olson, Rose Marie Schuldt, and Guriene Heida. Under the leadership of Miss Sammelson the class rated high in war stamp sales and low in absences and tardinesses. Events included roller skating parties, coronation attendants, and soloists.

Though our Junior Class found another decrease 24 members remained to round out a well organized class. This year Vivian Gasper, Lorraine Pesicka, and Bill Easterling were added to the class roll. Events included, Bonny McGuire a State Oratory winner, our play, "Here Comes Charlie," a great success, junior parties, Junior-Senior Banquet, with starlight the theme.

We began our senior year with 22 members under the leadership of Donald Barta, other officers are Charles Olson, Dolores Fillaus, and Charles Trantina with Mr. Warner and Miss Erickson as Advisors. We point with pride to the 14 seniors in Glee Club, 8 in band, 11 in declamation, 8 in debate, 7 in football, and 4 in Varsity Basketball.

It is with some regrets that we look to the coming commencement activities, but there is a note of happiness, too, as we look back over a job well-done.

The Junior Class of this year are about to become seniors. All in all the year has been joyously spent.

Our treasury first had it's beginning when our float took second prize in the Homecoming Parade. The theme of it being, "Making hotdogs out of Springfield."

More money was added when we gave an All High School Party.

Our most difficult, but also most prosperous, way of making money was by giving a play, entitled, "Busy As A Beaver."

We're planning on a bigger and better Junior-Senior Banquet and Prom in the spring. The funds in our treasury are sufficient for financing it.

The Junior Class is well represented on the honor roll, as well as in extr-cirricular activities.

We sincerely hope our Senior year will be as progressive as our Junior year.

In 1945, thirty-two sophomores were present at the first assembly, only two dropped out during this year.

We, the sophomores went all out for activities. We sponsored an all high school Christmas Party for which our class produced a very appropriate Christmas Program with all the trimmings.

Attendants to the King and Queen were: Carol Yungbluth, Jimmy Jones, LaVerne Andersh, and Thelma Stone.

Forty-two freshman students signed up in the year 45-46. Eleven of these students have strayed from our class-leaving a group of thirty-two.

A few weeks later the Freshman Class was initiated by the Seniors. For a week boys everywhere were seen with their pants-rolled up to their knees. Friday ended this with a Kangaroo Court. We freshmen were proud to display our good sportsmanship.

We also won first prize in the Homecoming Parade. This left us with pennies jingling in our Treasure.

Our Homecoming representatives for Royalty were Betty Duncan, Shirley Woods, Gerrit Heida, and Raymond Rezac.

We have had several very successful parties this year, and we hope that we can all be together again next year.

Athletics

Back in 1935 during the Annual Armistice Day Game, the flight of the Stratosphere Balloon passed directly over the field while the two teams were in action. In commemoration of this historical flight, a trophy was presented to the winning team in the following years.

The Raiders completed a comparatively successful football season as they overpowered the Platte Panthers in the Annual Armistice Day Game to retain possession of the Stratosphere Trophy.

During the 1945 season they placed second in the S. E. S. D. Conference by defeating Platte in the Armistice Day Game, 9 to 2. This victory makes Wagner the holder of this trophy 4 times to Platte's 7.

Broz,

We, the staff members of the 1946 Raider, have attempted to bring to you a pictorial record of the past school year, with individual photographs as well as group pictures of our fellow students.

We sincerely hope that our contribution may help to preserve the happy memories of 1945-1946.
