Dedication

We, the students of Wagner High are proud to dedicate our 1956 Raider to Mr. Slade. He has been with us just one-and-a-half years but during this time he has won the respect and admiration of the entire student body and has been a companion as well as a teacher.

Besides teaching mathematics, general business, and drivers education, Mr. Slade has been an assistant coach and a class advisor. We sincerely hope that he has enjoyed being with us as much as we appreciate him.

The Best of Wishes to you, Mr. Slade!
