

RAIDER 1984

Graduation Day

Today we'll start a new life
And we'll say our last good-byes
To all the friends we've grown to love
With whom we've laughed and cried.

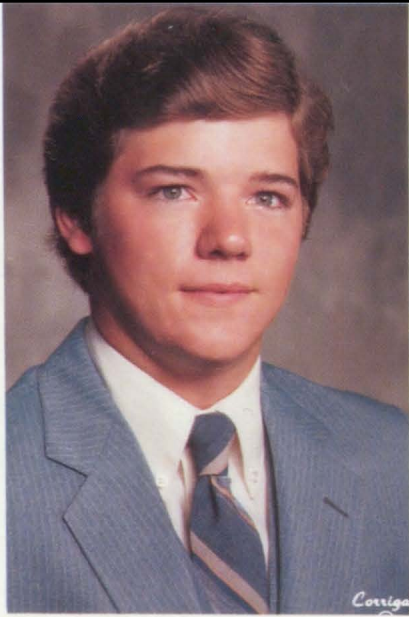

Remembering the fun and laughter
The problems and the fears,
And watching all our memories grow
Throughout our high school years.

The memories of the dances
And the friends that we've met,
Vacations, teachers, talking
And exams we'd rather forget.

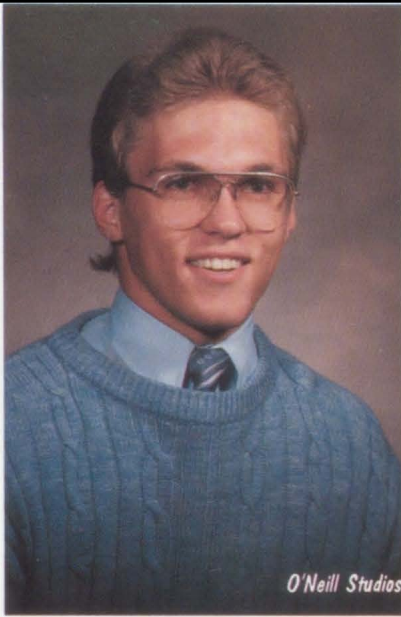

Yes, high school days are precious,
 but brief,
Where all your dreams come true;
It is not the end,
But the beginning of a life we'll
 start anew.

Dedication

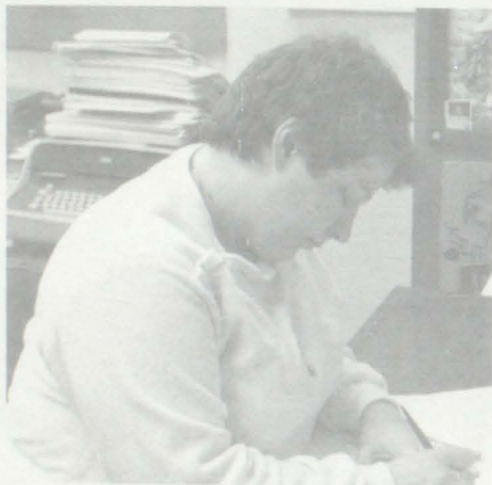

On April 22, 1951, J.C. and Eunice McGee welcomed a bouncing baby girl into their family. She was named Deborah Diann. Deb grew up in Colton, South Dakota, with her one and only brother, Ron. As a child, Deb was always full of surprises, which isn't too hard to imagine. She loved to ride her horse, Chico, and throw her big brother's airplanes out the window, after all, "They're supposed to fly!"

Deb graduated from Tri-Valley High School in 1969. After a summer of indecision, her father finally persuaded her to go to college at SDSU in Brookings, S.D. She hated it so much that she went for seven years and in 1976, graduated with a Master of Education.

In the fall of 1976, Deb made her big move to Wagner, S.D., where she took on the job of counseling the students of Wagner High. Since then, she has touched each and every one of us in a very special way, whether it be by being there for us when we have nowhere else to turn, by keeping up our transcripts, by helping us make college decisions, or just by giving us a smile when it's needed the most.

Miss McGee, to express our sincere appreciation for the great job you are doing, we, the Class of 1984, would like to dedicate our annual to you. We wish you the very best in your life as that is only what you deserve.

P.S. Just remember, if you ever need to talk, we are always here.

Life—

Life is not necessarily measured
in years . . .
It is measured, instead,
In smiles, laughter, and tears.
