Friends we are  
and always will be  
even though  
we don't always agree.

We've worked and grown  
and became quite fond  
by working together  
we've developed a special bond.

But through it all  
there's always been a friend  
who will stick by you  
till the end.

Through victories and defeats  
and times that are rough  
only we have made it  
because we are tough.

We are realizing goals  
and accomplishing dreams  
we'll do anything, no matter  
how hard it seems.

We have made the best  
of our times together  
so that our memories  
will last forever.

# Raider Centennial Spirit Of '89

The Wagner students came back to school in the fall of '88 showing much enthusiasm and dedication in making this year into the year of the Raider SPIRIT. Through sports events, music, and academic achievements, the students have cheered each other on and showed their support. The Raiders seemed to have an unspoken goal to simply be the best they could be. These goals would not have been reached had it not been for that inner spirit which seemed to keep the students going this year.

Not only did the students show their pride and support in the school, but pride in the community was also evident. 1989 has not only been the year of the Raiders, but also the year of the South Dakota Centennial. The Wagner Students and faculty celebrated the century by participating in Centennial kick-off day by wearing T-shirts with the Centennial logo. Wagner school again showed their patriotism when they held the spring concert with the Centennial theme.

This year has clearly been outstanding. The Raiders SPIRIT of '89 will never be forgotten.

The burning of the "W"-a custom that shows the Raider spirit.

## Teacher Retires After Successful Career

Mrs. Cuka correcting papers and recording grades in her grade book.

Mrs. Dorothy Cuka had a dream of becoming a successful teacher; and in 1951 when she first started teaching, in a small country school, her dream became a reality. Dorothy started in a country school and taught there until 1970, then she started teaching at Wagner Community School. She started as a title teacher for the third and fourth grade. Then she was title teacher for fifth and sixth grade. After being a title teacher for several years, she began to teach the sixth grade as a regular teacher. Her next challenge was mastering the seventh grade. She taught Social Studies and Health and Safety. Now she moved on to teaching English for seventh grade and for freshmen. She has been teaching that ever since.

Dorothy is now retiring after twenty-six years of sharing her knowledge with others. Dorothy has had a very rewarding teaching career. Dorothy has always enjoyed her work and has found great pleasure in having just one child learn from her teachings.

In her spare time, Dorothy enjoys reading, working on crossword puzzles, traveling, and playing ball.

This year Dorothy was a Junior Class Advisor. She helped organize a very successful and exciting Prom. Even today one can see Ed pick Dorothy up after school to take her home.

Dorothy, Wagner Community School will miss you and we all wish you the best of luck in the future.

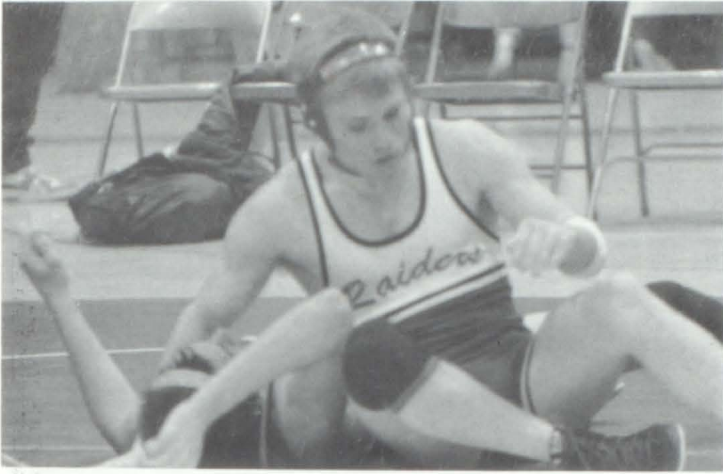

GOD BLESS YOU DOROTHY!

Homecoming week began on Monday, September 19th. Red and white day started off the week Monday, followed by Dress-up day on Tuesday, Hippie day on Wednesday, Toga day on Thursday and ended up with Twin day Friday. The crowning of the Wagner High Homecoming Royalty was Thursday night with Aaron Mach as Master of Ceremonies. Chris Fechner and Sharisee Krcil were named the 1988-89 King and Queen and were crowned by last year's King Jared Kocer and Queen Bridget Kocer. The King and Queen's court contained runners-up Greg Harrell and Shawn Williams for King and Tarra Pudwill and Julie Pesicka for Queen. The Girls' Basketball and the football team both had hard losses throughout the week to the Bon Homme Cavaliers. Despite the losses everyone enjoyed a fun week at Wagner High.

## Two Letter Winners Return

The 1989 Girls Basketball season was a surprise for all. Going into the season with only two returning letter winners, Tana Uecker and Sharisee Krcil, the Raiders were a very young team with little experience.

Although the girls were not expected to go far, with determination, pride, and hard work, they pulled together and achieved many goals. Those girls that won a starting position were: Theresa Krcil, Tana Uecker, Sharisee Krcil, Kristi McEntee, and Carol Stastny. Through the season Mary Soukup and Becky Gies eventually worked their way to a starting position.

The Raiders placing second in

districts, by beating the Scotland lady Highlanders, and advancing into regions is one accomplishment never to be forgotten. Along with team achievements there was also many individual ones. One of these was Carol Stastny being named to the all-conference team.

All the girls put alot of hard work, into what proved to be a great year. Congratulations to a job well done by the whole team!

The Raiders junior varsity ended their season with an even record of 8-8. This was also a young team, but with hard work they proved themselves and accomplished their biggest goal: to work as a team. Good job girls!

Theresa Krcil, Kristi McEntee, and Tana Uecker look for the tip as Carol Stastny jumps.

## Raider Work Pays Off

Late August mornings meant the beginning of hard work for the Red Raider football squad that would last into November. But the hard work paid off! That 3 month span gave the team a 5-4 record and a 5-2 spot in the SESD Conference.

Although they lost to Beresford in first round playoff action, the team had many outstanding individuals. Aaron Mach, Chad Blaha, Chris Fechner, Greg Harrell, Shawn Williams, and Jeff Dvorak were named All-Conference players in the SESD Conference. Other impressive statistics included Chris Fechner's leading confer-

ence percents in pass receiving and Greg Harrell's top tackling and field goal kicking numbers. Harrell's outstanding statistics helped him qualify as an All-State linebacker and a spot on the South's All-Star team in August.

Coach Harrell was proud to say that the 1988-1989 Raider team was one of the best offensive passing teams he's had in years and was glad to see the defense hold up it's outstanding tradition. Good work guys!! You made Wagner Community School and the community proud!!

## Wrestlers Stopped Parston

Who stopped Parkston's dual meet winning streak? Who completed their dual meet season with a 9-0 record? Who was the SESD conference dual champions? Who won six tournaments? Who took the district and region titles? Who placed fourth in the State Wrestling Tournament? Who else could have accomplished these feats besides the Wagner Red Raider 1988-89 wrestling team? No one! None of these feats could have been accomplished without the team's hard work, dedication, and team spirit. They had to be dedicated and hard working to work out before and after school. Even outside of practice they had to be dedicated by saying "No" to that candy bar or can of pop.

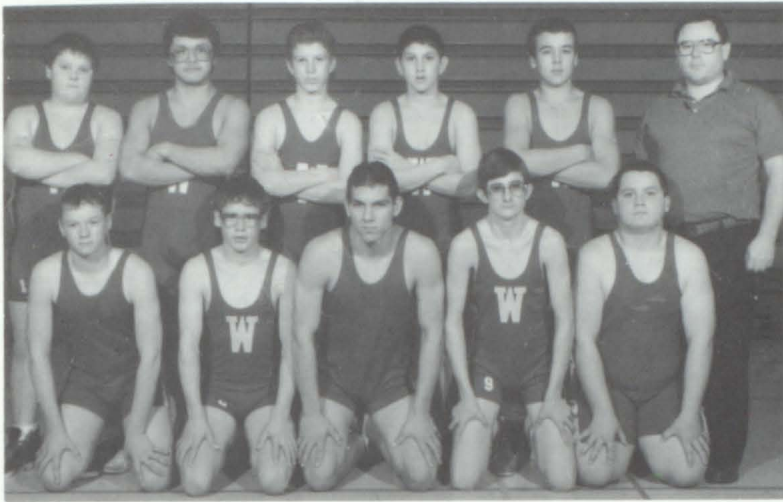

The team spirit this team had was awesome! They supported each other in practice, during the school day, and especially at matches or tournaments. The team support also encouraged nine team members to make it to the state tournament. Brad Lhotak placed third, Jay Swatek placed fifth, Greg Harrell placed first (Wagner's sixth state champion), Brad Irwin placed fifth, and Greg Krcil placed fifth. Others participating at state were Russ Turner, Chad Blaha, Jim Beeson, and Lenny Hare. Speaking on behalf of the entire wrestling team, Coach Scherr said that the highlight of the season was stopping Parkston's dual meet winning streak. Congratulations on a great season!

## Two Win First At State

The Girls 1989 track season was a very successful one. With the loss of three outstanding seniors, the team worked very hard to keep the tradition of the LMVC and SESD titles. They not only kept this tradition, but the team won seven out of the nine track meets they attended. New records were broken this year by Jennifer Donnell and Carol Stastny. Jennifer Donnell broke the two mile record with her time of 13 minutes 34 seconds. Carol Stastny beat her own records with a throw of 38 feet 9 ½ inches in the shot put and 126 feet 3 ½ inches in the discus. In regions, the girls track team was awarded runner-up. Girls qualifying for the State Track meet were Carol Stastny in the shot put and discus, Tana Uecker in the shot put and discus, Denise Kocer in long jump and triple jump, Darya Bich in high jump, Jenny Koupal in 300 hurdles, and Becky Gies in the 200 meter dash.

At the state meet held in Beresford and Sioux Falls, Carol Stastny placed first in discus and second in shot put, Denise Kocer placed first in the triple jump and fourth in the long jump, and Becky Gies placed sixth in the 200 meter dash. The girls placed third as a team.

Senior girls track members were (last row) Tarra Pudwill, Carol Stastny, Nan Eitemiller, (front row) Junko Ito, Becky Gies, and Carole Clouè.

## Boys Have Good Season

"We had a good track season. The kids worked hard and we had a lot of fun", were the words from Coach Nedved. The season ended with these statistics. Team placings in the meets: 5th in Parkston, 8th in Regions, 2nd at LMVC, 1st at Lake Andes, 1st at SESD, no placings at Corn Palace, 2nd in Avon, 5th in Gregory, 2nd in Burke, 1st in Armour, and 1st in Wagner. Although no school records were broken, the boys did their best to make the season a good one. At the regional track meet only two boys qualified for the state meet, Aaron Mach in the shot put and Kelly Soukup in triple jump and long jump. Overall the boys had a good season and it couldn't be summed up better than with Coach Nedved's famous words: "We done good."

## Cheerleader Experiences

A Wagner High Cheerleader's experience starts out with tryouts which consist of ratings on a personality profile by their teachers and by demonstrating their cheerleading skills in front of a panel of judges and the student body. Through out the year, the cheerleaders are responsible for making up cheers, conducting pep rallies, creating school

spirit, and keeping crowd control. Cheerleaders follow Wagner High's Athletic rules, and earn a varsity letter. Practices are held through out the year to perfect skills and routines and to make up special routines.

This year Wagner will be losing four seniors to graduation, they helped to create a spirit-filled year. They will be missed next year!

The 1989 Football cheerleaders were: Jodi Lhotak, captain LuAnn Wiltz, Mary Soukup, Julie Fischer, Rochelle Holzbaur, Jennifer Remme, Julie Pesicka, and Tarra Pudwill.

## Academic Spirit Flourishes

Psychology students, Richard Smith, Tami Leines, Dominic Kotab, JoEllen Kostel, Julie New, Dorothy Kokesh, Lenny Hare, Kristen Hosek, Renee Clemens, and Tarra Pudwill take notes from the overhead.

The academic spirit at Wagner Community School flourished during the 1988-89 school year. The students learned while having fun.

As the freshmen ventured into high school, they learned life would not be all fun and games. Algebra I was something new, different and time-consuming. They also learned how to give speeches in English and gained knowledge of physical science.

The sophomores survived their first year of English with Mrs. Schoepf as the teacher. They also dissected worms, fish, and frogs in Biology and learned new proofs and formulas in Geometry.

The juniors met new challenges this year. Among these were Algebra II and Chemistry. But, perhaps the biggest challenge of all was finishing their term papers on time.

The seniors, in their final year at WHS, studied British Literature in English and conducted many experiments in Physics. During the first semester, the seniors studied American government and the second semester was spent learning about nations of the world in Geography.

Two new classes were added to Wagner's curriculum this year. They were Economics, in which the students learned an innovative approach to money, and Current Events, which kept the students aware of world happenings.

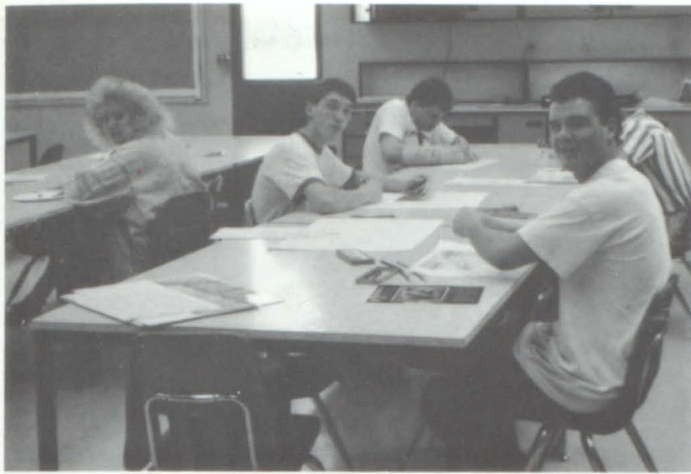

Ann Sly, Cindy Wranek, Jennifer Koupal, Jackie Cihak, Mike Kotab, Bill Frei, Chad Schroeder, Eric Kahler, Donna Merkwon, Dana Woods, Denise Kisely, and Dan Fischer diligently work on their Freshman English assignment.

The Accounting I class, Shawn Zephier, Rick Podzimek, Gordon Varuska, Jennifer Peters, John New, Jeff Thaler, Dean Soukup, John Koupal, Chris Slaba, and Jason Slaba lean back and take a break.

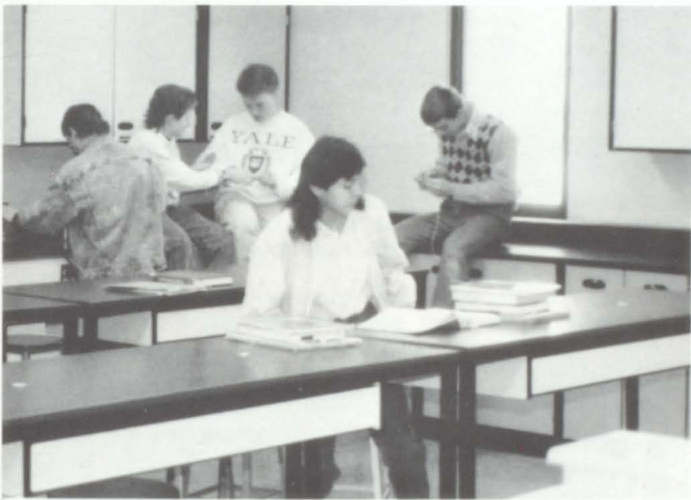

In Art I, Amiee Lhotak, Chris Fechner, Shawn Williams, Greg Harrell, and Chad Blaha work on their projects.

Good news, juniors Darcy Kaberna, Jeff Dvorak, Julie Fischer, Jamie Hornstra, Kristen Hosek, John Kocer, and Dana Andersh get a break from Miss Lundy's never-ending lectures. Bad news, they have to work on term papers.

Brad Lhotak, Brenda Gruenwald, Bill Frei, Nick Soukup, and Connie O'Connor try their expertise at electrolysis of water in Physical Science class.

The Biology students John New, Craig Kisely, Jay Kafka, Joe Kafka, and Rick Podzimek take dissecting crayfish very seriously.

Kristi Podzimek, Greg Harrell, Aaron Mach, Tarra Pudwill, Jodi Lhotak, Renee Holzbauer, Carol Stastny, and Dan Peters put their Physics knowledge to use.

Student Council members are: Left to right, Mrs. Langher Advisor, Jaclyn Cihak, Brenda Gyuenwald, Corey Martin, Tila Mattis, Paula Johnson, Janel Cihak, Renee Holzbauer, Cindy Wranek, Rochelle Holzbauer, LuAnn Wiltz, Tonia Isebrands, Mary Soukup,

# Student Council

## Voices

## Opinions

The purpose of a Student Council is to voice the opinions of each student, class and organization. This year the student council mainly helped promote school spirit by having; red and white day and hat day and helping Cheerleaders with pep rallies. They also sold shorts and hats with Wagner's logo on

them.

The Student Council went to a Leadership workshop in Mitchell.

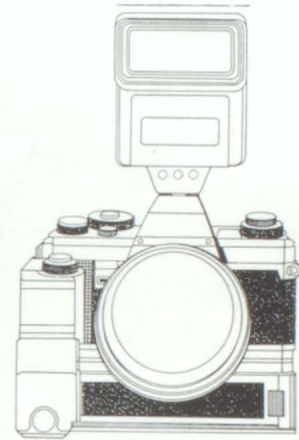

They suggested to the school board that a tobacco rule be passed. They were pleased when the school board adopted such a rule. Our School is now Smoke and Tobacco free.

King and Queen of the Valentine's Dance were Janel Cihak and Gerald Otte.

Many of life's most valuable memories are those of one's high school years. That is why the annual staff is in charge of capturing these moments on film and creating a yearbook full of photographs and articles about the students, teachers, and activities. The staff keeps very busy putting the annual together after school, before school, and during their study periods. Six juniors attended the Josten's workshop in Mitchell and five seniors attended the Annual Press Convention in Brookings. They obtained many new ideas and suggestions that they used to make this annual the best yet.

## Honor Society

Being selected as a member of Honor Society is one of the most prestigious honors a student can receive. A student must have the required 3.0 grade point average to be considered. First the faculty rates the candidates on a ballot using a scale of 1-10. Then a committee votes on the candidates. The students are judged on the following four main points: (1) Scholarship, (2) School and Community Service, (3) Leadership, and (4) Character, dealing with attitude and honesty.

At these meetings this group, commonly called the Cul-ture Club, plans fund raisers and other student activities. Some of this year's activities included sell-ing Valentine's Day candygrams, sponsoring a variety of dances, raising funds for the American Cancer Society by sponsoring a volleyball tournament, taking field trips, having a booth at the Craft Fair and holding many other fund raisers.

As always, Shawn Zephier is at your service.

## Area Chorus Festival At Lake Andes

The high school chorus went to Lake Andes for the Area Chorus Festival held on October 24, 1988. Many other schools from the area also participated. The day started when all the schools, Lake Andes, Avon, Bon Homme, Delmont, Menno, Tripp, and Wagner, arrived and took their places on the bleachers. The director for the day, "Skip" Swenson, was introduced and the practice began. Practice lasted all day with breaks for lunch, pop, concessions, and supper. In the evening, a concert was held in which the chorus performed the songs they had practiced that day. There was a good turnout for the concert and all who attended commented that the chorus did a very good job.

Waiting for the performance to begin are members of the Area Chorus.

## Area Band Festival At Scotland

## Mirth And Mayhem

Mirth and Mayhem by Peter Walker was presented at the Wagner Community School on April 25 at 8:00 p.m. under the direction of Mr. Glen Schoepf.

Eleven high school girls accepted a challenge from the boys to spend the night in a haunted house without the help of any men. Little did the girls know when they accepted that there had been three murders in that very house which took place exactly fifty years apart. The night the girls were to stay was exactly fifty years following the last murder. There is much confusion brought about by a movie crew, two crooks, and a couple of boys trying to play a joke on the girls. The night ends with the arrest of three people, the murder of an actress, and the relief of eleven girls who made it through the night.

The dinner for the banquet consisted of roast beef, mashed potatoes and gravy, corn, fruit salad, and cake and ice cream. The meal was prepared by the junior mothers, who did a fine job. After everyone was finished eating the tables were cleared as everyone started to line up for the grand march. The theme for the grand march was "One Moment In Time." The couples marched in, walked over a bridge, then circled around. The dance began after the grand march. The music was provided by Sound Prose from Mitchell. This was definitely one of the best moments in time.

Our foreign exchange students, Junko Ito from Japan (above) and Carole Cloue of France (below), make their trip down the aisle to graduate.

"Go! Get out of here and graduate!", was Mrs. Langrehr's final command!

With enthusiasm, the graduated class of 1989 released their balloons and threw their hats.

Jim Kotab and JoEllen Kostel pose for a picture before graduation.

Swing choir members: Carol Stastny, Dan Peters, Becky Gies, Paul Carda, Jeff Thaler, John Harmon, Denise Kisely, Julie Krcil, Jennifer Remme, Melissa Weisser, Lynn Beeson, and Darcy Kaberna; sang and performed sign language to the song "Til We Meet Again."

# School Board And Administration

The Administration and School Board work hard to make our school the best it can be.

Superintendent Dale E. Hall supervises the overall operation of the school. A few of his tasks include preparing the school board agenda, hiring the staff, and making recommendations to the school board.

Principal Roger Wiltz is in charge of the Junior and Senior High. Some of his duties include class scheduling, developing the curriculum, enforcing school policy, and supervising extracurricular activities.

Business Manager Marlene Stone is in charge of seeing to the financing of the school's operation. One of her major tasks is making decisions concerning spending and school policy.

The School Board, consisting of seven members elected by the public, makes decisions concerning spending and school policy.

All of these people get together for a school board meeting the second Monday of each month to discuss everything from school lunch and bussing to curriculum and maintenance.

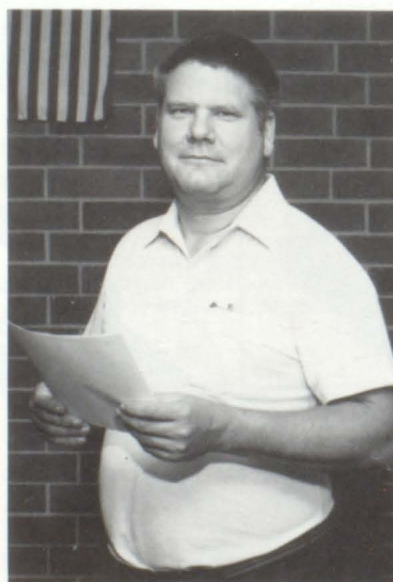

An outstanding school is a product of their endeavors.

School Board members are: (back row) David Robertson, Leo Holzbauer, Leroy Williams, Don Hosek, (front row) Dean Weber, John Uecker, and Karol Kocer.

Teachers are who help keep the spirit of Wagner High going. They often give students that little extra bit of encouragement to help them stick with their job. Whether it be complementing students for a job well done or punishing them for their mischievous deeds. Teaching is hard work, but it is very rewarding for most teachers. Teachers not only have to instruct students, but they also have to take on extra

responsibilities. A teacher has to be able to put up with students, cope with their disruptions in class, and also try to get some knowledge through to them. Teachers also help make extra-curricular activities possible by taking tickets, running scoreboards, and spending endless hours coaching students. Thanks for helping keep the spirit of Wagner High alive.

# Class Of 1989

The friends they made through the years;  
 The classmates they gained and lost.  
 They welcomed all and cried when old friends left,  
 But their friendships they'll keep alive at any cost.  
 The class has created touching memories,  
 Memories that they'll keep in mind.  
 Class meetings, parties, and prom made  
 Memories that will never be lost to time.  
 Graduation is near and their time will come  
 When they all must part.  
 But as a class they'll always be together in their hearts.  
 All their dreams are in their reach,  
 Because their abilities have no end.  
 They don't know what they can't do,  
 But with determination they can ascend.  
 To the class of 1989, the memories and  
 friends will never fade.  
 But there comes a time in everyone's life,  
 When decisions must be made.

# Class Of 1990

The word that best describes the class of 1990 is energetic. Whether preparing for the junior-senior prom, participating in extra-curricular activities, or studying for various exams, the juniors have kept themselves busy.

Like classes before them, the juniors enjoyed selling concessions, planning for prom, and having fun together. The juniors also discovered new ideas by experimenting in chemistry class, strug-

gling with a computer, writing a term paper, creating history projects, and listening to Mr. Scherr's unforgettable opinions.

The members of the Class of Ninety have created lasting friendships, acquired a vast amount of knowledge, and achieved many of their goals. No matter what they did or where they went, they loved every minute of it and look forward to next year when they will be seniors.

# Class Of 1991

The class of 1991 contributed to Wagner High School in many ways in the 1988-89 school year. From sports to music to academics, the Class of '91 gave their best efforts to their school. Members of the sophomore class participated in and cheered on sports such as football, gymnastics, girl's and boy's basketball, volleyball, wrestling, and track. In music, the sophomores represented Wagner in

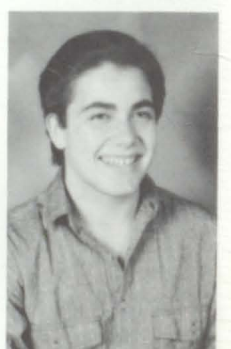

choral and band festivals and contests, and put in many hours playing in band at sports events. Academically, hard work paid off with many sophomores getting on the "A" and "B" Honor Rolls.

In the future, the Class of '91 hopes to help build winning teams, a good band and chorus, an academically strong school, and to leave their mark on Wagner High.

# Class Of 1992

Having survived initiation-carrying books, rolling peanuts, etc. The class of 1992 went on to share many new experiences: memorizing keys in typing, learning formulas in algebra, giving demonstration speeches in English, and doing

labs in Physical Science. We now know what "high school" is all about and enjoy its freedoms and responsibilities.

They look to the future with great anticipation hoping that each will achieve their goals.

## The Spirit Of "89"

Many great times have occurred in the centennial year of 1989. Our school has joined in the centennial year by hanging three new banners in the gym and by hosting SDSU's South Dakota Proud, a play celebrating the centennial year. The centennial year is only the beginning of the action packed year.

Our Raider athletes have "done good" this year. Our football team, girls and boys basketball teams, wrestlers, volleyball players, gymnasts and track team, have held up the Wagner reputation in all our competitive sports. Wagner produced a state

champion wrestler, Greg Harrell. The Cheerleaders for the 88-89 season cheered the athletes on through thick and thin. The cheerleaders promoted the Raider Spirit of 1989.

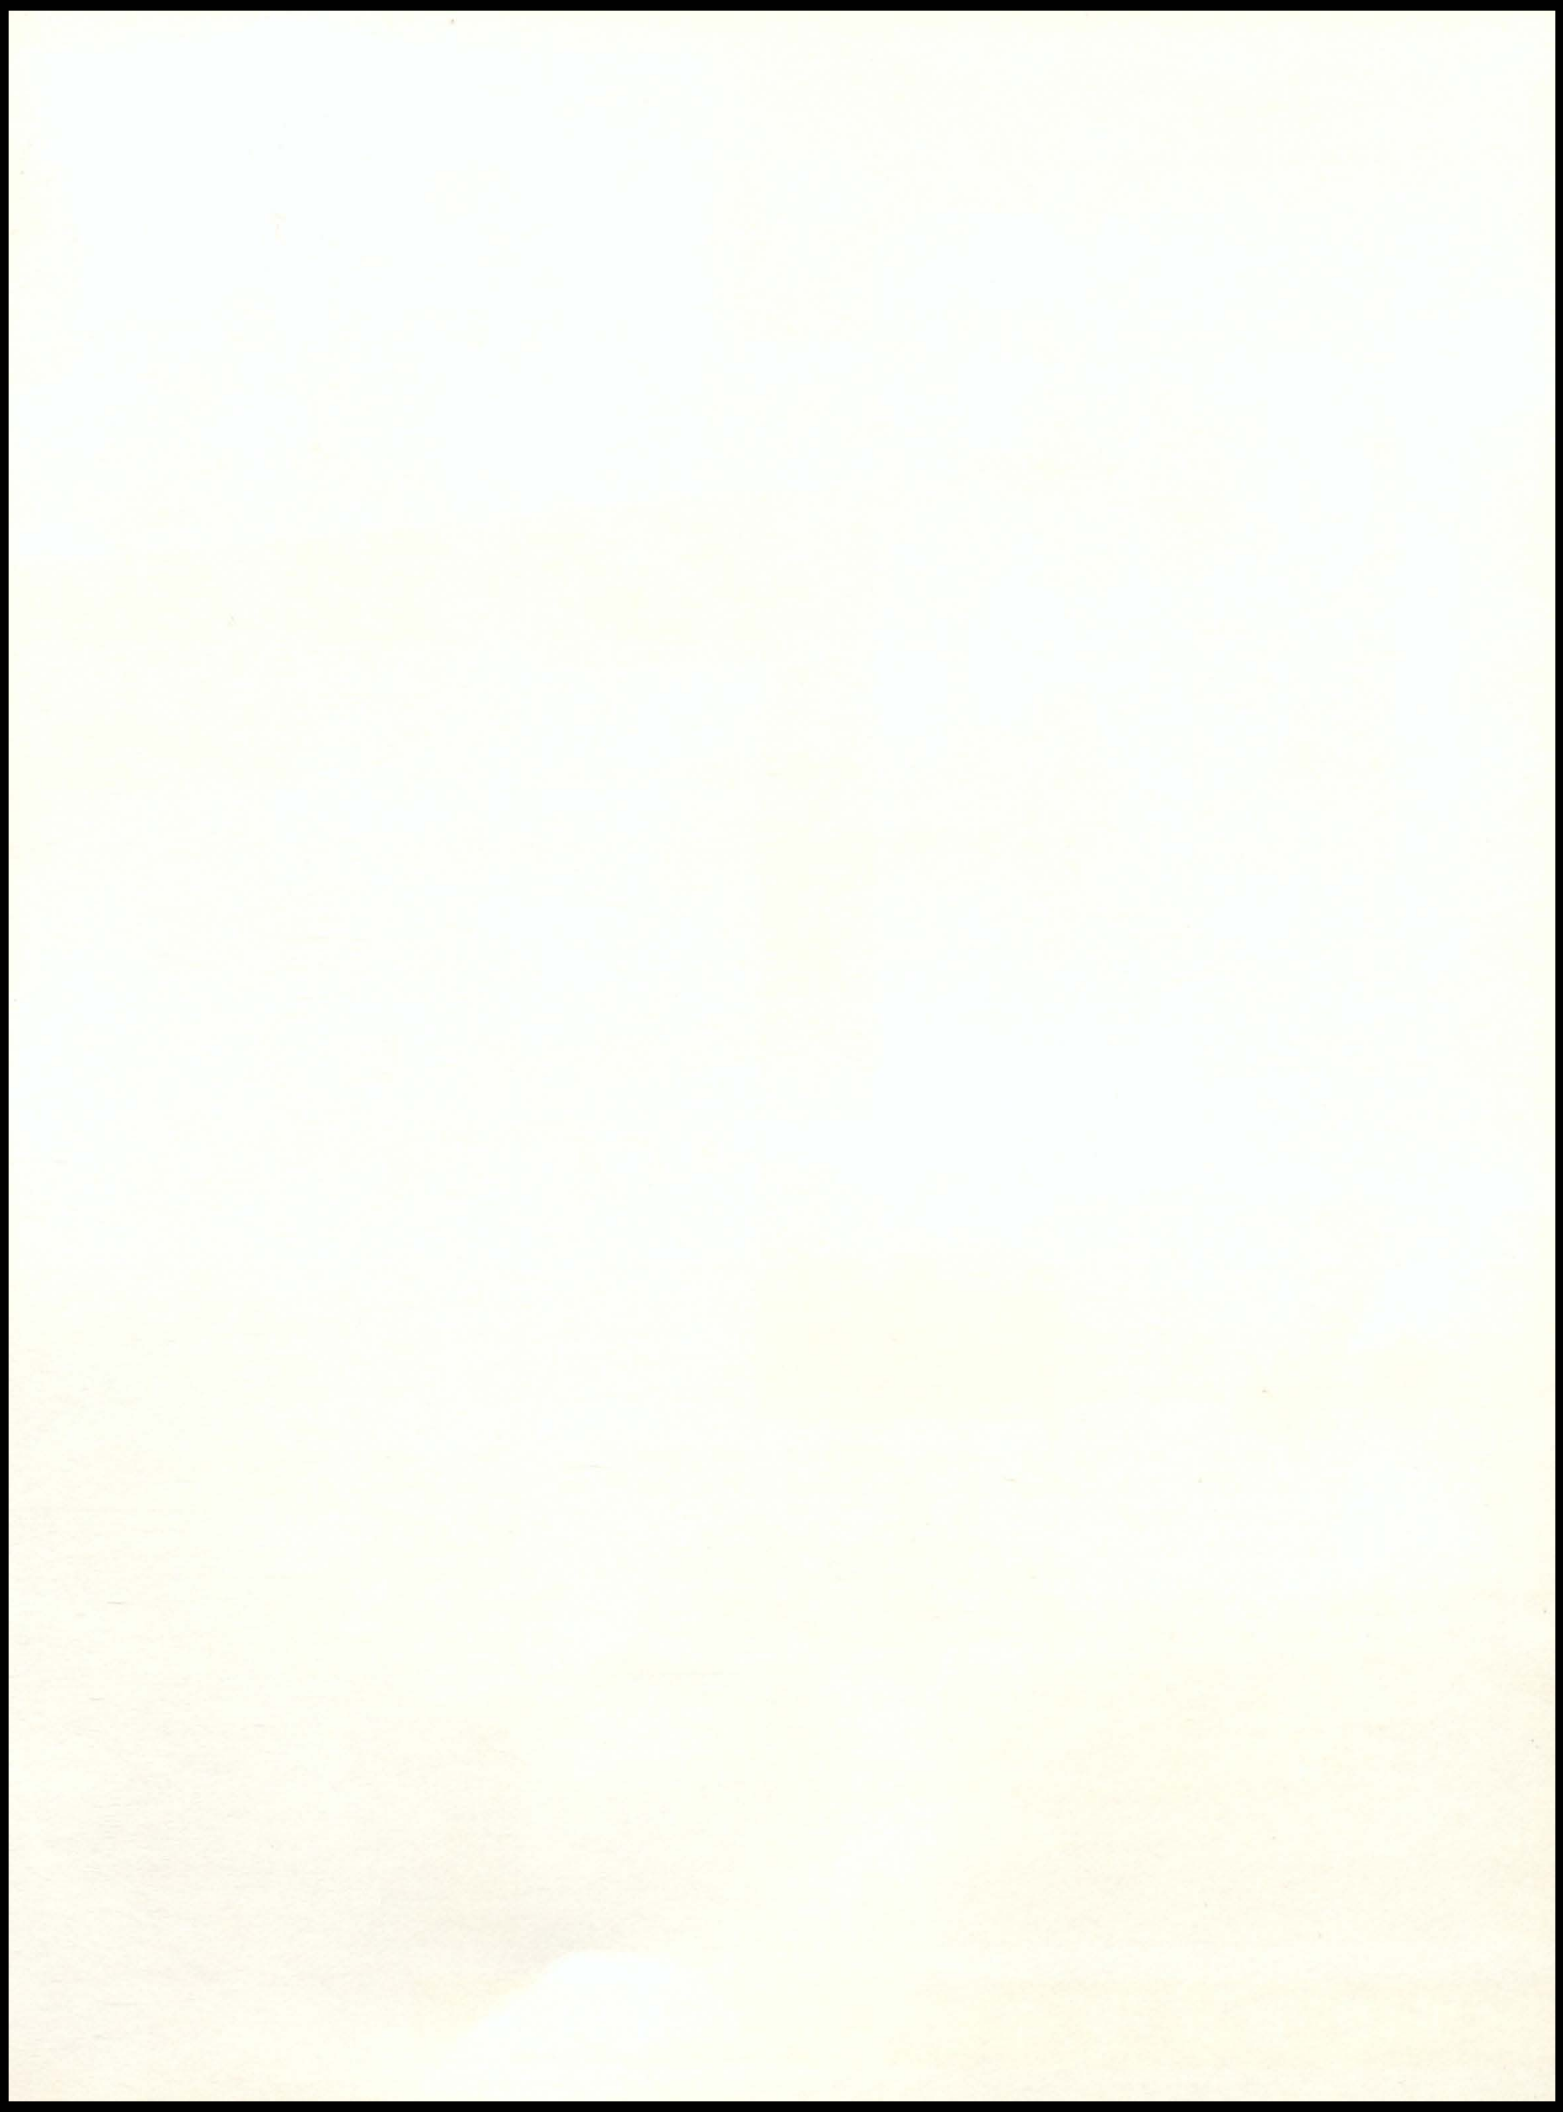

Wagner High has had many great events this year. The school play "Mirth and Mayhem", prom, music festival, concerts, our spring concert featured a centennial theme and our prom theme is "One Moment in Time".

This year Wagner welcomes two foreign exchange students, Carole Cloué and Junko Ito. Carole is from France and Junko is from Japan. These two girls were

taken in by the community of Wagner and they proved to be two terrific girls that Wagner can never forget. Junko and Carole only enhanced the Spirit of "89".

This year was also a year of examination. The North Central Team evaluated our school. As part of that evaluation, the team talked to teachers, students, and administration to get the most accurate report possible.

Finally the Raider Centennial Year ends with graduation. Everyone will remember the fantastic year created by the Spirit of 1989!

Awareness, education and prevention were the watchwords in fighting acquired immune deficiency syndrome (AIDS). Alarming statistics urged a bioscience company to develop an AIDS test that shows results in as little as five minutes.

The 1988 drought damaged crops and slowed barge traffic all across the nation. Record-high temperatures and little rainfall also threatened wildlife and livestock.

Plastic explosives were blamed for the crash of the New York-bound PanAm Flight 103 in Lockerbie, Scotland, Dec. 21, 1988, which killed all 258 people on board, plus about a dozen people on the ground.

A national smoking ban went into effect on all domestic flights under two hours, raising smokers' ire and non-smokers' satisfaction.
