Its Not Just School Its A Raider Adventure

The Wagner Raiders have proven is so many way that school is filled with Raider adventures. From the Seniors to the Junior High, the Raiders show their enthusiasm, in a range of activities.

Not only do the students create adventures in the classroom, but also with sports, Homecoming, concerts, plays, and Prom. None of these adventures could be possible if it wasn't for the spirit of Wagner High Students. These memories created through the years will last forever when school is a Raider adventure.

Performing before the Homecoming game, the Wagner High Band is an adventure in itself.

Jennifer Donnell, Cindy Wranek, Denise Locer, Shannon Lagg, Kim Link, Kay Eitemiller, Laura Dvorak, Renee Wiechmann, Emera Soukup, Jacque Wranek, Lori Schoepf, Nancy Winckler, Kerry Irwin, Leah Ligtenberg, Wendy Honomichl, and Nicki Donelan bring their nighttime adventure to school on Pajama Day.

School Board And Administration

Every member of the administration and school board work together to build an effective governing body for the school.

Mr. Hall takes care of the general supervision and administration of the school. He also programs and supervises the school's federal programs. Mr. Hall adds, "Over the years the duties and responsibility of the school administration has increased many times due to federal, state, and local requirements."

Mr. Wiltz handles the curriculum, scheduling, evaluation of teachers and courses, and school discipline. He also has overall supervision of academic and extracurricular activities. Wiltz comments, "Most of

my time is spent on discipline related problems. This seems like such a waste when I could be in classrooms where I could share ideas that might make a teacher more effective."

Mrs. Stone is in charge of all the finances of the school and makes sure that all accountable funds meet the state guidelines. She takes the minutes of school board meetings. Mrs. Stone says, "The job is interesting and demanding. We are also counting on the computer system this year to make things more effective."

The school board this year started with seven members. Leroy Williams retired from the board, leaving only six members until a replacement could be found. The school board has dealt with many issues this year. A major issue was drinking at the armory, which is jointly owned by the city and the school. Therefore the board asked the city for help with the problem. The city agreed to help patrol the armory with city police to enforce the legal drinking age.

Faculty Adventure

Its not just school, its a Raider Adventure. This adventure would not be possible without the help and guidance from the faculty. Teachers help students to grow and expand in knowledge. When asked why they decided to teach, Mr. Kent Baldwin replied, "I wanted to help students expand their musical knowledge." "It was go-

ing to be a temporary job until I could find a better paying job." Was Mr. Glen Schoepf's reply to the question. Selling tickets at games, hall duty, meeting students needs, and coaching are a few of the responsibilities that teachers have.

Ms. Joan Lundy said that her favorite thing about teaching is working with the students. "I

enjoy working with the students and watching them master the information I give them." This statement was given by Mrs. Linda Youngbluth, when asked what was her favorite thing about teaching.

Teachers are a very important part of our Raider Adventure.

Freshmen

Finally the Class of 1994 were "FRESHMAN". Along with being Freshmen comes that scary word, "Initiation". Laura Dvorak says, "It could of been worse." Everyone had their chance to carry books and roll food with their noses but only

the most privileged students were picked for senior skits. They had to sing, hold books, and some were drenched by water balloons.

New classes include: Typing, Physical Science, English, and Algebra. Kim Link

says, "We've had so many story problems we're all dreaming about them! Typing is exciting but don't look at your keys."

The Class of 1994 is looking forward to their last three years. We wish them the Best of Luck!

The sophomore class of '93 began its adventure September fourth. The sophomore class participated in and cheered on sports such as football, gymnastics, girls and boys basketball, volleyball, wrestling, and track.

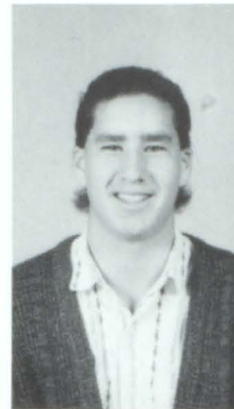

Denise Kocer made this comment about her sopho-

more year. "It's been real! I'm not a low life, like I felt I was last year, but I'm still not very important. I think the classes are harder this year so I have to take more time to study. Even homework can not stop me from doing and going to school events."

Ryan Hanson made this comment about his sophomore year. "The sophomore year is a bit harder than last

year. We all participate in more sports and cheer on our fellow classmates. Although we are sophomores, it seems like high school is one big grade. We play sports and enroll in subjects with many of our upper classmen. Remember the last few years of high school, because they go by fast."

Juniors

Variety best describes the class of 1992. From boys and girls basketball, football, gymnastics, wrestling, and track to pep band, swing choir, and vocal-instrumental contests; the junior class

plays a major role at Wagner High School, both academically and athletically.

With so many involved in extracurricular activities, everyone helped each other out when it came to working concessions so Prom would be worth all the effort and

planning. When asked what they like about being a junior Ursula Uecker made this comment, "You don't have to worry about initiation, it's not your last year, and you get to worry with your classmates about whether or not you will have a good Prom." Greg

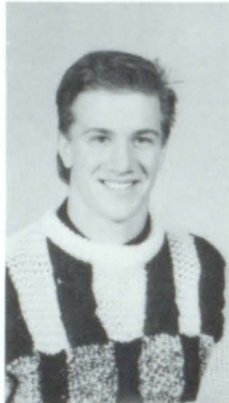

Krcil added, "The teachers I have, and the Seniority."

The class of 1992 enjoys the memories they have as juniors, and looks forward to their last year at Wagner High School.

Support Staff Helps Student Adventure

The support staff consists of the secretaries, cooks, bus drivers, and the janitors. This staff makes out tardy slips, cooks us good, hot lunches, takes us to and from many activities, and keeps the school clean. They help us have such an Adventurous Year. When asked, "What do you like most about your job?" Joan Hubbard replied, "Greeting all the smiling faces at the window." We thank you very much.

Adventurous Seniors

Throughout the years they could not wait
For that special graduation date.
They looked forward seeing no deadends,
But it was hard leaving old friends.
It was time to grab the world's hands
And travel off to faraway lands.
They all agreed they had to roam,
Each leaving their little homes.
The time was sad. The time was glad.
It was an adventure to be had.

The Class of 1991 had many good times at WHS. According to Jeff Thaler, "This year is going to go fast." That it did. The Seniors sat back and remembered all of the fun times they had in high school. Janelle Twitero said, "This year has made many good memories for me." Homecoming was a great time. The class put on skits and ini-

tiated the Freshmen. The second semester brought the Senior Lounge. The class worked hard to make it the best ever. Prom was another high point, but Graduation was what they had waited for. It was exciting and emotional. The Class of 1991 was on their own in the real world.

Exciting Season For Girls Basketball Team

The Statisticians this year were LaRae Youngbluth, Jenni Donnell, and Jennifer Slaba.

The 1990-91 girls basketball season started off good. They started the year with only two girls having much varsity experience. They were Jenny Koupal and Kristi McEntee. The girls had many exciting games during the season with three overtime games and seven other games that were decided by six or fewer points. The girls not only experienced the emotional high of winning several close games, but also the emotional low that came with losing close hard games. Many times in the close games it came down to the free-throws. Since the Raiders had a hard time controlling their fouls many games were lost unnecessarily. Kristi McEntee added, "We started the season off with an unexperienced team. At first we had much enthusiasm, but as we went on we stopped playing as a whole. This hurt us at Districts against the Cavaliers, but in the end looking back we all had a good time learning from our mistakes. I feel that we did have an outstanding and memorable season." Kristi McEntee along with Jenny Koupal both contributed many assist and steal. Janelle Kocer pulled down many rebounds. Darya Bich added many outstanding performances by having the most points and rebounds. Denise Kocer and Darya Bich were honored with LMVC All-Conference. Jackie Cihak and Cathy Zacharias put in a lot of playing time and did a superb job.

Senior stars for the Raiders were Cathy Zacharias, Janelle Kocer, and Kristi McEntee.

Team Has Spirit

The 1990 season came without a victory for the Raiders, but if the game was won on spirit and determination alone, their record would be 8-0. "I felt that in each game we had at least a short period of time where we played excellent football," commented Coach Arndt.

Injury became a huge obstacle for the team after four starters were sidelined and another player was unable to play the entire season.

Leading the team were seven seniors. According to one senior, "We started the season off slow, but we ended by playing a few good games.

With a couple of breaks and less injuries, we could have won some games."

Receiving honors for most tackles was Greg Krcil, with 153 defensive tackles. Jay Swatek led in most yardage rushed with 473 yards, and Danny Fischer and Jay Swatek led in touchdowns with 2 each. Randy Cuka was named All-Conference.

All in all, a good attitude and a good sense of sportsmanship was maintained, and as Coach Arndt said, "Most important, though, is the fact that we played some awfully good football and have much to be proud of."

Senior members of the 1990-1991 season are (back row) Joe Kafka, Randy Cuka, Rick Podzimek, Jay Kafka, (front row) Jason Slaba, Jeff Thaler, and Rick Rysavy.

Donelan went to state on the bars.

The team placed third in regions and throughout the season had several good meets where they met the goals they set and showed improvement in their scores. Next year looks to be promising for the Raider gymnasts since the team will be much more experienced.

Two Wrestlers Retain Titles

The 1990-91 season was successful. The team finished with a 9-0 record. Head coach Wayne Scherr comments were "it was a great season for us. The wrestlers worked hard and showed great improvement from the beginning of the season. A higher finish in state would have been nice, but our performance highlighted a great year at Wagner High School. It was quite an accomplishment, to have two state champs repeat the titles. Brad Lhotak and Jay Swatek won their second consecutive titles. Greg Krcil finished an excellent year by finishing third at State. Eighth grader Travis Slaba brought home a sixth place finish at State. Senior Rick Podzimek placed seventh at State. After an incredible six years of wrestling, Rick finished his high school career at 150-160 pounds and was named to the first All-Star Academic Squad. The seniors, Rick Podzimek, Tony Blaha, Jason Slaba, and Craig Kisely will be missed. It looks to be another great year for the Raiders."

Brad Lhotak goes for the win.

New Coach Leads Team

Under guidance of first year head coach Bill Kappermann the Raiders learned a new offense and defense. The Raider boys determination and dedication proved to be their strong point but lack of experience and height lead to a disappointing season. "Overall we accomplished more than our record would indicate. We only

had three Seniors so I believe there is a possibility of a good season next year." commented Coach Bill Kappermann. Top scorer for the Raiders was Denis Cournoyer with an average of 12.9 points a game. Next in the scoring line up were Dustin Blaha and Chris Slaba with averages of 7.5 points.

Senior Members are Chris Slaba, Rick Rysavy, and Jeff Thaler.

Kocer Places First At State

The 1991 Wagner Girls Track team won a few and lost a few meets this year. One of the greatest victories took place in Parkston at the LMVC track meet. Last year was the first time in 10 years that the Raiders had lost their LMVC title, but now have won it back.

This year was the first time that the state made a rule that if the athlete made standard time or height at any track meet, they could automatically go to state. Denise Kocer made it to state in the triple jump before hand by meeting the standard and at regions made it also in the long jump and the 800m relay. Jenny Koupal made it to state in the 100m and the 300m hurdles by meeting standard prior to the region meet. She also was in the 800m relay along with Renee Wiechmann and Kim Link. The 800m relay made it to state by taking 2nd place in the region meet. Basically, the girls had a successful season even though the team was young and had no seniors. Next year should be a good year for the Wagner Raiders.

Denise Kocer placed first in Triple jump and fourth in long jump at state, while Jenny Koupal placed fifth in the 100m hurdles and sixth in the 300m hurdles.

Blaha Makes It To State

This year, despite the rain, wind, and injuries, we managed to have people place at Regions in Salem. Dustin Blaha qualified for state by placing first in triple jump and long jump. Also placing but not qualifying for state were Nick Soukup who placed fourth in the 300 hurdles and sixth in the 110 hurdles. Dan Fischer placed fourth in 100 meter dash, Tony Harrell placed third in the 800 meter dash. At the Wagner meet, the boys placed second losing their hold on first place in the Wagner Relays. Despite the loss of valuable Seniors, we hope to have a stronger track team next year.

Cheerleaders

Selected To Promote Student Body Spirit

The selection process for the 1990-91 Cheerleaders began on a spring day in 1990. The hopefuls began by learning and making-up cheers for try-outs. Evaluation forms were sent out to the teachers to give the judges an idea of their attitude. Then the Big Day came. They did a group cheer by squads in front of the student body and a cheer of their own in front of a panel of judges. The new cheerleaders were chosen. They did many things to prepare for the coming year. They had several meetings to decide on uniforms, sold beach products as a fundraiser, had practices as early as 6:00 A.M. and several girls attended a cheer camp at Dakota Wesleyan University.

This year was a very challenging year for Wagner's Cheerleaders, as they only had two returning cheerleaders. A new routine for the school song was introduced along with new dance routines, chants, and cheers. Each squad worked very hard at trying to bring the spirit at Wagner High School. Spirit posters and locker mates decorated the halls and gym. Pep rallies were held before the big games.

The Cheerleaders would like to thank everyone for their help and cooperation throughout the year. They had a great year and are proud they were chosen to represent their school and are looking forward to the challenges and rewards of cheering next year.

This year's cheerleaders for football were (top) Jenni Donnell, Denise Koce, Jenny Koupal, Cindy Wranek, (bottom) Jackie Cihak, Kay Eitemiller, DeNel Fechner, and Rochelle Holzbauer.

The Boys' Basketball squad was (top) Lisa Gunnare, (middle) Jenni Donnell, Nancy Wincler, and (front) Heather Andresh.

This year the Wagner High School students entered a new year. The freshman with a little knowledge of Algebra now know how to solve equations with letters in them. They entered the world of Shakespeare, studying "Romeo and Juliet". The freshmen did not appreciate deciphering their own language just to find out what was going on.

The sophomores ventured into Biology, discovering the insides of fish, worms, and crawdads. They also learned about proofs and constructions in Geometry.

The juniors discovered that Chemistry experiments were fun. One of their favorite experiment was making peanut brittle.

The seniors taking their second year of Mrs. Schoepf, made it through with ease. The senior class trip to Pierre was on schedule this year. They went to Sioux Falls for Geography class to visit Austad's and Citibank.

What's Behind The Red Door? Chorus

What is it that causes many students to cut their breakfasts short? What is it that causes some of your fellow classmates to run from their bus or car? What happens behind that red door in the lunchroom that slams shut every weekday at 8:20? It's Chorus! You may be scoffing at the idea but actually this year, Chorus was an adventure!

The year started out by preparing for an performing at the Area Chorus Festival in Menno. Swing Choir and All-Staters were chosen early in the year.

The first weekend in November bought about All-State Chorus which was held in Hu-

ron. The quartet survived the dreaded spot checks and represented Wagner well.

On February 6, the chorus attended the Region 5 Music Contest at Lake Andes. 14 soloists, 1 duet, 2 groups, and the All-State quartet all received superior ratings.

The Swing Choir went to the USD Swing Choir and Jazz Band Festival during March but did not complete.

Throughout the year, many members sang at the meetings of area organizations and sports events.

The Wagner High Chorus entertained the public by singing at their annual Christmas, Spring, and Pops Concerts.

New Director Leads Band

Getting used to a new band director was one of the many things the high school band did this year. The band started the year off by marching in the Spencer parade, Czech Days, Larmor Day Parade and Dakota Wesleyan University Homecoming Parade. The band did several performances during half time and pre-game at football games. Christmas was on its way, so we started practicing Christmas music instead of Pep Band. The next event was contest at Kimball. The judges were difficult so we came home with only two superiors. Kin Link-Nicki Donelan on their flute duet, and Schayna Baldwin on her oboe solo. Kara Payer and Denise Kisely participated in the Augistana Band Festival. Twenty-one of our band students took part in the Area Wide Band Festival under the direction of Mike Hogan. The next event the band had to prepare for was the Spring Concert. The band practiced hard and the concert was a big success. The Jazz Band this had a few students but sounded good.

TORCH Group Started By Student Council

Student Council has been active with many projects which included selling balloons for Valentine's Day, picking up trash around town, and having a Christmas decorating contest. Each class made a poster to put up and the class with the best poster went to lunch first. Some students even decorated their lockers.

They had a kiss the pig contest. About 6 to 7 teachers were elected to participate. Each teacher had a bucket with their name on it. People voted for the one they wanted to kiss the pig by putting money in the appropriate bucket. Mr. Arndt won the contest. The proceeds went to the Ronald McDonald House.

This year we have a new organization joining Wagner High School. It is called TORCH. TORCH is an organization for Teenagers On The Road to Chemical Health. TORCH has completed several activities this year. They hosted non-alcoholic bars at dances, tied red ribbons on cars, which represented the people who were killed due to alcohol or drug related accidents, did activities during Drinking and Drug Awareness Week, including a one day retreat.

Staffs Record Memories

Reporting, informing, and producing a newspaper and an annual requires dedication and hard work from the members of the Newspaper and Annual Staffs.

The newspaper staff, under the direction of Mrs. Youngbluth, strives each month to keep the school informed about day-to-day activities of clubs, sport teams, and special events.

Facing up to the challenge, the Annual Staff works to produce memories for years to come. Taking pictures, planning pages, and meeting deadlines are a few of the many time consuming duties of a member.

Each year, both the Newspaper and Annual Staffs travel to Brookings, South Dakota to attend the Press convention. While there, members attend workshops on various topics, listen to lectures, and view other school newspapers and annuals from throughout the state.

The members of these staffs rise to the challenge, and adventures of the life of a memory maker.

Four Students Make It To Regions In Oral Interpretation

The 1990-91 Oral interpretation season began with nine students signing up to read for contest.

On October 13 these students participated in a reading clinic at Dakota Wesleyan University. There Teresa Peters, Laura Dvorak, Denise Kisely, LaRae Youngbluth, Lori Schoepf, Ruth Zephier, Janelle Twitero, and Kara Payer received superior ratings for their readings. Matt Cihak also attended the workshop and received an excellent rating.

The local contest was held October 8 this year, a bit earlier than previous local contests. Janelle Twitero received a superior for her oration "Motivation." In serious prose Kara Payer received superior for selection "Agnes of God," and Denise Kisely received second for the selection "Woman with 27 Children." Ruth Zephier won the local serious prose division with "Was It a Dream?" and LaRae Youngbluth

placed second with "Miriam." The poetry selection winning superior was Janelle Twitero's Ogden Nash collection called "Debt." Lori Schoepf won first in the humorous section with "Halftime at Halcyon," and Denise Kisely won second with "How to Write Good." Laura Dvorak and Teresa Peters won the duet interpretation with their rendition of The Odd Couple.

All first place winners represented Wagner at the district contest in Yankton where first place winners were Lori Schoepf, Janelle Twitero, and Laura Dvorak and Teresa Peters. All these girls advanced to the region contest where they received excellent ratings. The region contest concluded another successful reading season.

Those students in grades 7-12 who are interested in joining next year are encouraged to see Mrs. Schoepf and sign up.

Academic Excellence Lead By Honor Society And Quiz Bowl Team

Being selected as a member of Honor Society is one of the most prestigious honors a student could receive. A student must have the required 3.0 grade point average to be considered. The students are judged on the following four main points: (1) Scholarship (2) School and Community Service, (3) Leadership, and (4) Character dealing with attitude and honesty.

Clint Andersen, Tony Harrell, Nick Soukup, Laura Dvorak, and Alternate Teresa Peters with their coach Mrs. Dvorak traveled to Scotland on January 26 to participate in the Third Annual South Central High School Quiz Bowl Competition.

Nine teams, Menno, Scotland, Trip, Bon Homme, Bonesteel-Fairfax, Avon, Geddes, Andes Central, and Wagner participated in the competition. Wagner lost the first round but they came back to win the next two rounds. This years winners were from Scotland.

Each year students must "try out" for the team.

The Fisherman And His Wife

Missoula Children's Theatre came to Wagner to put on a production of "The Fisherman and his Wife". Auditions were held Monday, October 8 by Stan Randall and Colleen Mitchell, the Theatre's tour group.

Throughout the week, practices were held and the play began to fall into place. Everyone worked hard to get their parts down because their first performance was Friday afternoon.

There were two performances of the play. The first was on the afternoon of Friday, October 12, for the Elementary Students. The second was for the public on Saturday, October 13, at 8:00 pm.

With hard and devoted work and help from Stan Randall and Colleen Mitchell, and the assistant directors, the cast members put on an excellent performance.

The 1990-91 Homecoming Adventure

David Kotab and Janelle Kocer became the 1990-91 homecoming Royalty.

Homecoming was a real adventure. The week started off with the tradition of dressing up. Monday was Farmer Day, Tuesday was Dress up day, Wednesday was P. J. Day, Thursday was Clash Day, and Friday was Red and White Day. Coronation was held on Monday night with Janelle Kocer and David Kotab becoming the New Homecoming Royalty. After coronation was the traditional burning of the "W". This years Homecoming brought about a change. Finally Homecom-

ing was recognized for both Girls' Basketball and Football. Both teams played well with the girls winning two tough games. During Homecoming there was initiation for the Freshman. A few of the teachers, also, got to partake in the fun. The Seniors enjoyed initiation and Senior skits. They hope future years will be as fun for the underclassmen. Everyone had an enjoyable week that they will remember for quite a some time.

Master of Ceremonies for Coronation was Randy Cuka.

Campaign Managers were (back row) Rick Rysavy for David Kotab (middle row) Jay Kafka for Chet Eitemiller and Joe Kafka for Rick Podzimek, (front row) Janette Weber for Rochelle Holzbauer, Cathy Zacharias for Kristi McEntee, and Janelle Twitero for Janelle Kocer

In The Still Of The Night

Amidst a sea of emerald, black, and silver, the magical night of prom appeared. Through many hours of hard work, the Juniors created a beautiful scene "IN THE STILL OF THE NIGHT."

The Mistress of Ceremonies, Junior Class President Brenda Gruenewald, began the evening by introducing Father Gregg Frankmann, who gave the Invocation. The meal, consisting of chicken strips, baked potatoes, coleslaw, fruit salad, and carrot cake, was served by the Prom Servers. After the wonderful meal, which was prepared by the Junior mothers, everyone proceeded to enjoy the rest of the evening's activities. The Junior Class Prophecies were read by Vice-President Jackie Cihak. Senior Class President David Kotab read the wills.

The Grand March then followed. Spectators gathered to view the event. All heads turned when the new threesome Dana Woods, Chad Schroeder, and John Koupal escorted each other through Grand March. Providing the entertainment for the dance was the GOOD-TIMES BAND. Everyone was dancing and enjoying themselves. Providing special entertainment were Chet Eitemiller, Jason Slaba, Greg Krcil, Joe Kafka, Craig Kisely, and Jay Kafka giving their rendition of "Friends In Low Places."

For the second year in a row, an After Prom Party was held. Students were entertained by "Mr. Magic," casino games and activities, and swimming. The party closed with a poolside breakfast leaving many memories to share.

Carol Harrell was the Guest Speaker.

Not Just School, But A Raider Adventure

Many great adventures have occurred during the 1991 school year. Homecoming week was just the start. During Homecoming, students participated in Farmer Day, Dress-Up Day, P.J. Day, Clash Day, and Red and White Day. Janelle Kocer and David Kotab were crowned Homecoming Royalty, and the girl's basketball team was honored along with the football team on coronation night.

The adventure in sports had its ups and downs. The football team ended with and 0 and 8 season. The girls' basketball team placed third in Districts, and the boys' basketball team placed fourth in their District. On the up side, the volleyball team placed 2nd in Regions. The Wrestling team took 7th at State with

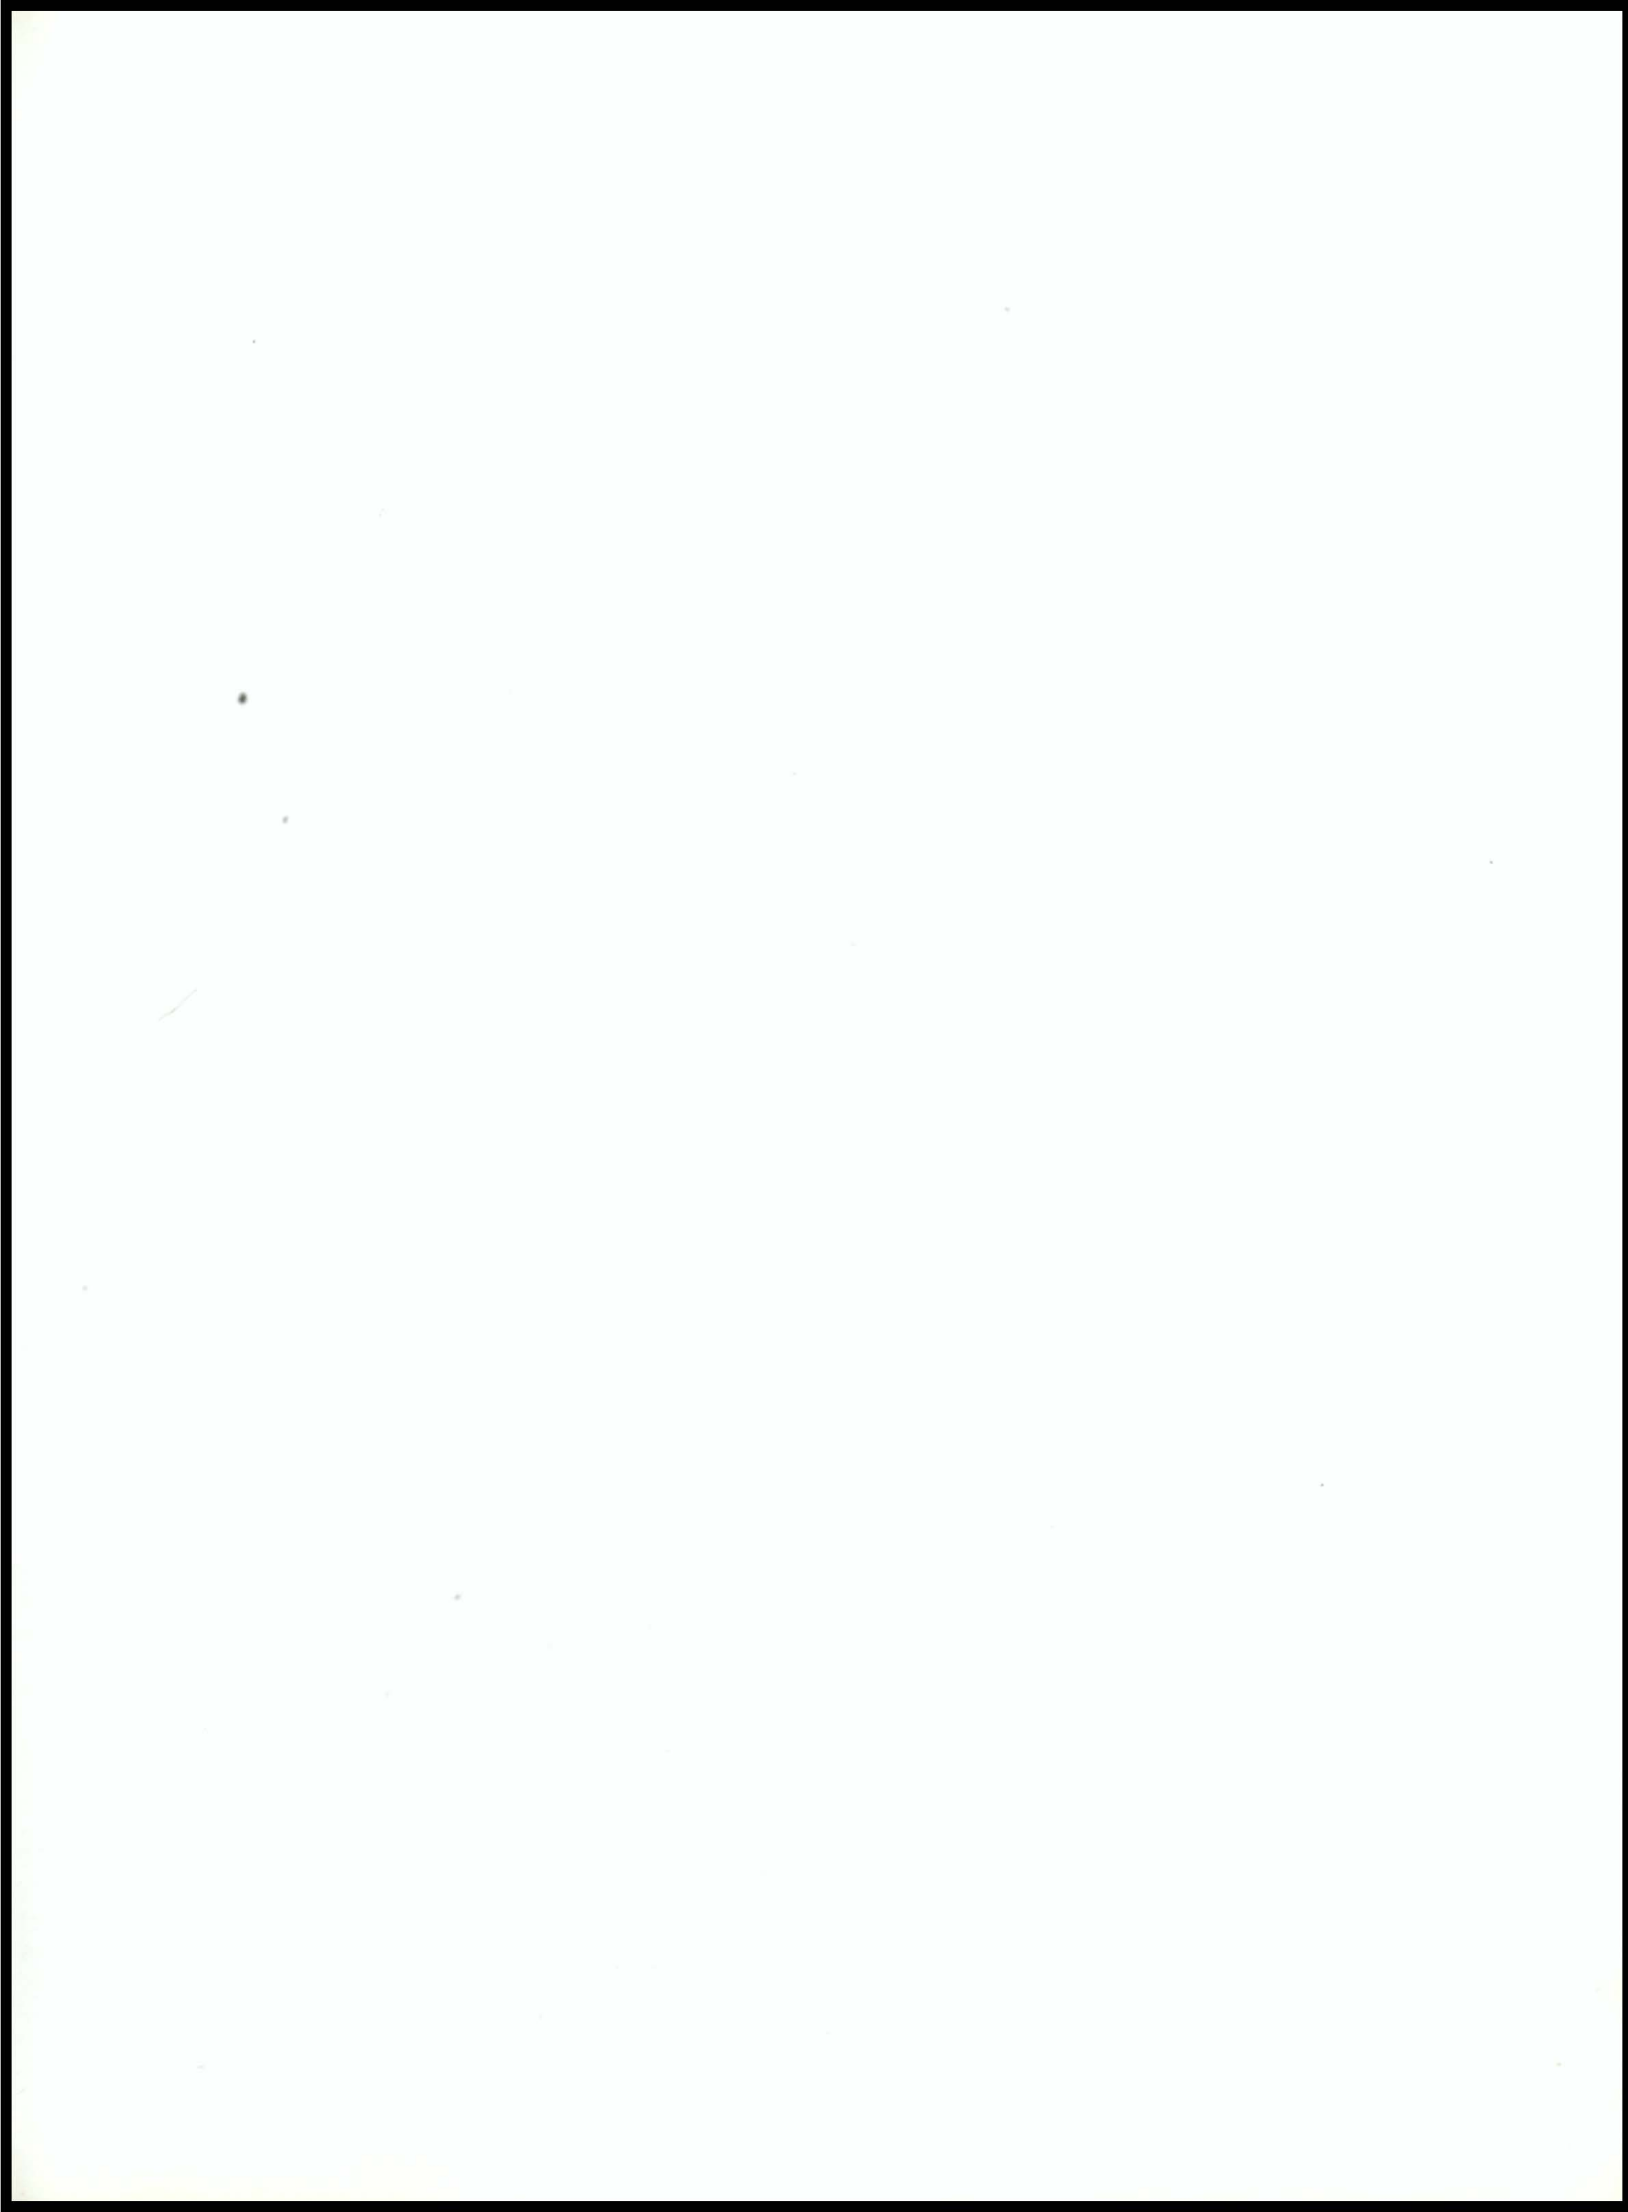

five wrestlers placing individually, including Wagner's two state champions — Jay Swatek and Brad Lhotak. The Gymnastic team ended their season with three members going to State. Also included in the sports adventure were the cheerleaders who cheered the Raiders on through thick and thin.

1991 was not only a year of adventure for Wagner students, it was a year of new friends and of new experiences. Students welcomed two exchange students during the school year. Oscar Avila, from Mexico, and Pablo Franceschi, from Argentina, gained many new friends and left a lasting impression on Wagner during their stay. A new experience for students was forming the T.O.R.C.H.

club. The T.O.R.C.H. club teamed up with the Culture Club to put on a very successful dance.

The many events that students participated in led to some memorable adventures. Concerts, choral and band festivals, plays, and music contests were just some of those events. The biggest social event was the 1991 prom, whose theme was "In the Still of the Night."

With graduation, the school year came to a close. Underclassmen will reflect on the adventures of the past, while the seniors prepare for a different kind of adventure. All in all, the year has been filled with friends and fun activities that made up not just school, but a Raider adventure.
