Our time is Now

Recap of the first playoff game of 2007:

On Tuesday night the Red Raiders traveled to Platte to take on the Black Panthers in 1st round play off action. The first quarter ended with a 0-0 score. This picked up in the second quarter. After forcing the Black Panthers to punt Wagner took over in excellent shape at mid field. The Red Raiders capped off the 11 play 48 yard drive with a 4 yard run by Mavrick Hill, which put Wagner up 6-0. On the kick-off Platte returned it deep into Wagner territory. With the ball sitting on the 15 yard line, the Red Raider defense stepped up to the challenge. After picking up a first down on the 2 yard line Wagner then preceded to turn the Black Panthers on 4 consecutive plays, the biggest oncoming on 4th down as the Red Raider defense made a stop on the 1 ft line to turn the ball back over to the offense. Wagner went into the half with a 6-0 lead. The second half started with both teams trading positions, then mid way through the third quarter the momentum swung Wagner's way. After a roughing the punter call on Platte the Red Raiders then took over and began a 14 play 65 yard drive capped off with a 1 yard run by Hill and the 2 point conversion a pass from Chase Kuhlman to Andy Hall which gave the Red Raiders a 14-0 lead. On the next Platte position the Black Panthers were able to score on a 64 yard run to pull within 14-6. After that Wagner's defense was able to step up again and force a fumble to seal the victory for the Red Raiders. The Red Raiders advanced to the 2nd round of the playoffs where they took on the Bon Homme Cavaliers in Wagner that Monday night.

The five fantastic seniors of our 2007 season! You will be missed...

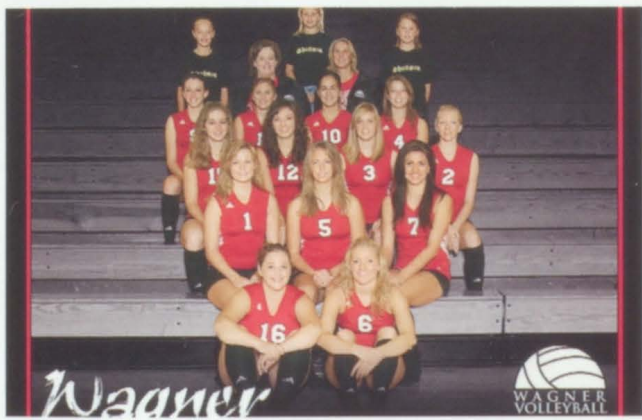

*"We have worked too long and too hard to let anything stand in the way of our goals."
~ Author Unknown*

"It was a great year for Wagner Volleyball. With the leadership of a core group of varsity players returning, the team was vying for a district title. However, the tournament was cut short due to a loss to a tough attacks squad. During the season, the team ended up racking up 24 wins and suffering 4 losses. Some highlights of the season: capturing the LMVC Conference title for the first time in several years, placing 2nd at the SESD Conference tournament and several intense matches against Vermillion, Gregory, Parkston and Northwestern. The loss of five seniors will force the Red Raiders to regroup in some key positions. Jonalyn Blaha, Erin Cimpl, Megan Cimpl, Whitney Dickerson and Kelsey Doom started their volleyball career with coaches Amy Tyler and Stacey Knebel in the junior high program. We all moved to the high school program the same year so it is a bittersweet moment seeing the girls graduate as we all grew up together. Each year that goes by it gets harder to say good-bye to the girls who have sacrificed to be a "Red Raider volleyball player."

"The Wagner gymnasts had a great year!

Our team this year was comprised of a very talented group of young ladies. They had a lot of fun and were goal oriented. Every meet we competed at this year we learned something new about ourselves, a team member or about gymnastics as a sport.

Although we had some struggles we all overcame them and did our best at the state tournament. Samantha Dvorak, Elizabeth Donelan, Jessica Koupal, Sydney Breen, and Kylee Lightenberg all earned a spot to compete on individual day. Our goal as a team for state was to place 3rd or higher. When we fell short by 2 tenths of a point and placed 6th, we were bummed but excited - bummed that we did not place as high as we had hoped, but excited that we had done our best and were still so close to the placing in the top.

We are losing Samantha Dvorak, a strong senior next year in 2008-2009, but we have many young, talented girls who can fill her shoes in the upcoming years. Along with Coach Martinez and Coach Dvorak, we are all excited to continue working hard and will soon be able to bring home a trophy."

Relentless In Our Pursuit

Austin Schroeder pushes hard to beat his opponent. This season was Schroeder's 4th year wrestling varsity in Wagner.

Ryan Kocer roughin' up his opponent!

Daniel Koupal goes head to head with a Parkston opponent.

Chad Brecke gets ready to wrestle.

"The wrestlers had an outstanding season with several memorable moments. The season began with the Raiders defeating conference rival Bon Homme 50-26. Wagner continued to push through the season, winning duals and tournaments. Wagner claimed victory in the Sioux Falls Lincoln tournament by the slightest margin, $\frac{1}{2}$ point over the Sturgis Scoopers.

After a short Christmas break the wrestlers made the long journey to Rochester. Once the police let us into the hotel, the team got ready for The Clash, a tournament where the best teams in the country collide to find who the best dual team really is. Wagner went 3-3 in this tough competition to take home 20th place.

The season continued with the Raiders winning the State Dual Championship for the second year in row. The wrestlers had a very successful post season and were able to advance nine to the State Tournament. The Raiders took the State Tournament by storm placing all nine of the qualifiers and claiming a State Championship along the way. Wagner scored 150.5 points, 54 more points than their closest competitor.

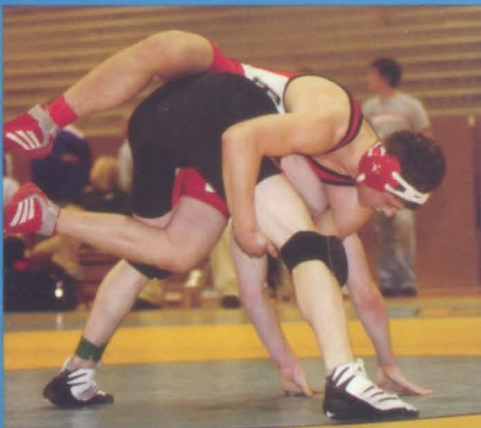

There were smiles from everyone when the team stood on the awards stand to take the Championship Trophy. The seniors led the team, reaching the ultimate goal and set the team up for future success. After the season ended, numerous awards seemed to pour in for Wagner's Wrestlers. While the awards were a sign of achievement, most of the wrestlers' memories will be the battles each faced during the season. For some the battle was an opponent, for others the battle was within themselves. Some fought the battle each day in practice, and for one the battle was to return to the mat. In the end, all the battles were won!"

"My favorite memory from elementary was recesses and going to my sister's basketball games and helping Landon Nedved and Chad Brecke pick fights with kids from other towns."

"I have too many memories of school. All the the times we spent hanging out at my house..."

Pat Clemens

*A few words of advice...
"Be careful but if you can't be careful be safe. If you can't be safe be lucky."*

John Cotton

"My favorite memory from high school was in chemistry our junior year. Austin told Mr. McGregor he needed to go to the bathroom. Well, it was taking him a while and when Austin came back into the room, he was holding the bathroom stall door."

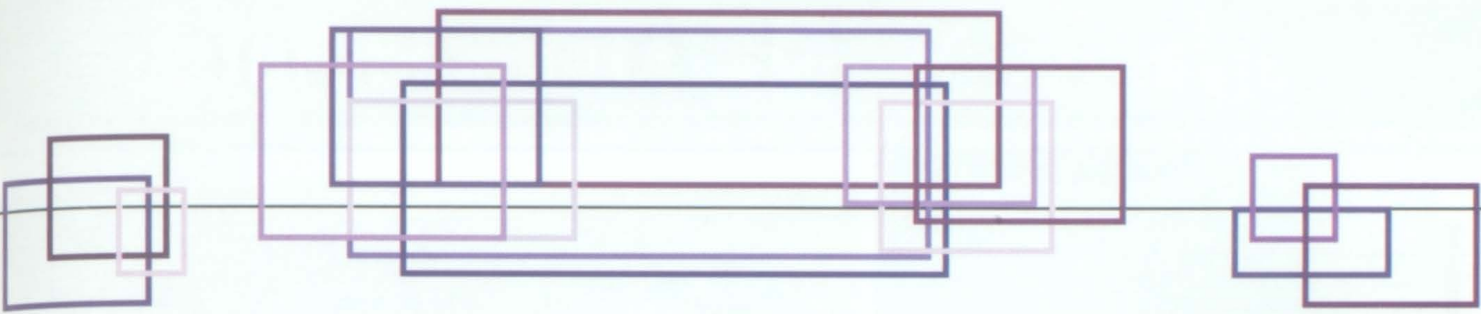

Erin Cimpl

"Chase, Dan, Jared, and I were all playing football in Chase's yard. We started playing and all of sudden we saw this kid watching us. Somehow we got into an argument, and Dan told the kid, 'At least my mom isn't blue!' We still laugh about it to this day."

Austin Schroeder

"Now you not only have the smartest chemistry teacher around but the hottest too!"

Ms. Tucek

"My advice is to have as much fun with your friends as you can, because your time is limited."

Austin Schroeder

Nathan: "I eat seeds whole but I can't eat that many because it hurts."

Jonalyn: "What hurts?"

Nathan: "What do you think hurts?"

Jonalyn: "Ha, wow, that's gross."

*Nathan Matbis
Jonayln Blaba*

"My favorite memory from elementary school was playing 'tornado' during recess. We would be driving the big blue truck and when a gust of wind would come we would run to the jungle gym where we would be safe."

Megan Cimpl

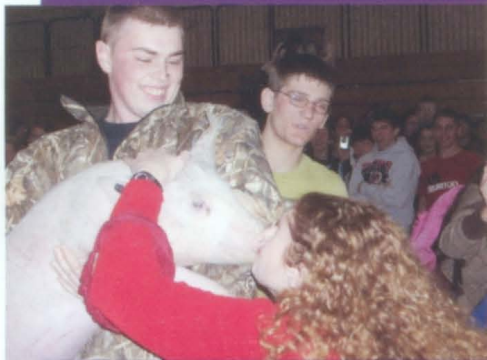

"During the 2008 Band Festival in Armour, Sam, Amber, James, and Brett were all standing in line at the Express Mart waiting to pay for their food. They made it through the line but Amber was still paying for her meal. James, Brett, and Sam were all discussing how easy it would be to rob a convenience store or the Wagner Food Center because James and Brett work on the inside. As soon as the cashier overheard the topic, she kicked out all four of them. Sam said, "Well, that's one thing I can check off my list of things to do before I graduate!"

"If you're going to do it, do it big!"

People tell me, "Wow, Sam is a senior. Boy, I remember her at your wedding being pulled down the aisle in a wagon." You were so excited for the dance but broke your leg and got only one dance with your dad before the pain medication kicked in and you fell asleep. You made up for it a year later at Robertson's wedding and danced all night!

Here is a quote we'd like to share with you:

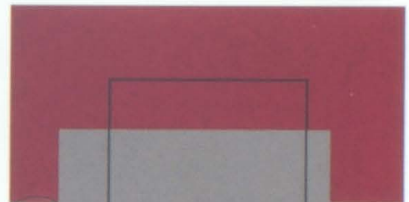

"As we **grow** up, we learn that the one person that wasn't supposed to ever let you down probably will. You will have your heart broken more than once and it's harder every time. You'll break hearts too, so remember how it felt when yours was broken. You'll fight with your best **friend**. You'll blame a new love for things an old one did. You'll cry because time is passing too fast, and you'll eventually lose someone you love. So take too many pictures, **laugh** too much and **love** like you've never been hurt, because every sixty seconds you spend upset is one minute of happiness you'll never get back."

We are so proud of you and love you very much.

"Will we think about tomorrow like we think about now?
Can we survive it out there? Can we make it somehow?
I guess I thought that this would never end
And suddenly it's like we're women and men
Will the past be a shadow that will follow us 'round?
Will these memories fade when I leave this town?
I keep, I keep thinking that it's not goodbye

Keep on thinking it's a time to fly."

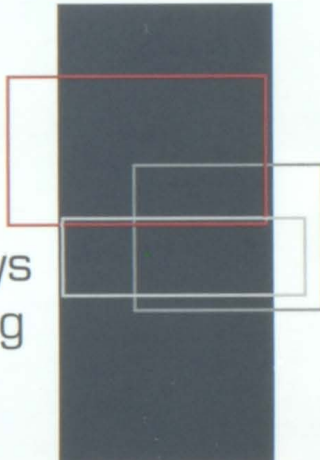

"Graduation Song"
Vitamin C

"And friends are friends *forever*
If the Lord's the Lord of them
And a friend will not say never
'Cause the welcome will not end
Though it's hard to let you go
In the *Father's* hands we know
That a lifetime's not too long
To live as friends

And with the *faith* and love God's given
Springing from the hope we know
We will pray the joy you live in
Is the strength that now you show

We'll keep you close as always
It won't even seem you've gone
'Cause our *hearts* in big and small ways
Will keep the love that keeps us strong

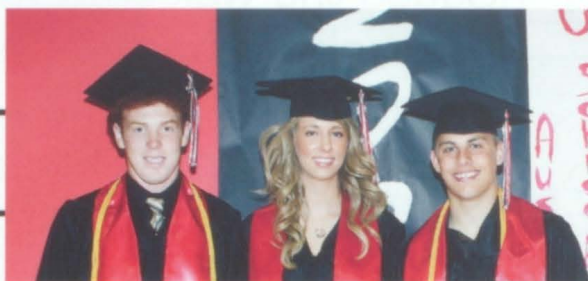

And friends are *friends* forever
If the Lord's the Lord of them
And a friend will not say never
'Cause the welcome will not end
Though it's hard to let you go
In the Father's hands we know
That a *lifetime's* not too long
To live as *friends*."
