CAPTAIN'S CORNER:

"The road to easy street goes through sewer." - Trevor Greger
 "It's not the size of the dog in the fight, it's the size of the fight in the dog." - Michael Payer

"I feel that our success this year really reflected the work we put in both in the offseason and during practices. However, sometimes you just get the short end of the stick and that's it. Not only will I miss the camaraderie among the teammates, but I will miss the road trips to and from games. Tons of memories made there." - Tait Johannsen

"I thought that we had a very successful season. I am not ashamed how it ended up in our last game because I knew that 11 players on both sides of the ball were giving their best and we ended up a little shorter than we all wanted to. Overall it was great and I will dearly miss it. I will miss messing around with my friends and teammates during practice and at games. Also I will miss getting ready for the football games and all the fun we had on and off the field." - Robert Kokesh

Right: Michael Payer, Trevor Greger, Tait Johannsen, and Robert Kokesh, the 2009 team captains, show their support and pride as they walk onto the field before a game.
