*2012*

Time will go on, friends will grow apart, faces will change, and pictures will fade. We will face the inevitable, we will grow up. Some of us will become the teachers and doctors we pretended to be as kindergarteners. Some will travel the world as we did on a map painted on the sidewalk outside the school. Then, some of us will stay here, at home, surrounded by familiar faces and buildings. No matter where we go or what we do, may none of us forget the memories, both good and bad, made inside and out of the walls of Wagner Community School.

In the end we were the last official class. Initiation ended with us. However, the memories of licking whipped cream off of saran wrap, eating carmel onions, devouring a stick of butter, and proposing to administration will always be burned in the back of our minds.

Jenece Holzbauer  
"Up top!"

Leslie Kantner  
"I scored... in P.E."

Miranda Weber  
"Juicy!!!"

Ryan Waters  
"It's just a story."

Each of us had and still have potential to do so much in this life. The one thing that will set us apart from every other class walking across the stage is we did it together. Through every triumph and disappointment we stuck together. Not only are we the class of 2012 but we are also a family, and forever our friendships will remain.

Jacquelyn Otte  
"Sometimes memories are better told with a picture.."

Miranda Crisman  
"When I fell every year in the gym after they waxed the floor."

Alexa Cimpl  
"You bet!"

Kade Leines  
"Thats what she said."

Devon Brecke  
"Ice Room... it gets you ISS."

As every class has their moments, ours was middle school. The guys didn't care and the girls cared too much. It was then we made the name of most dramatic class.

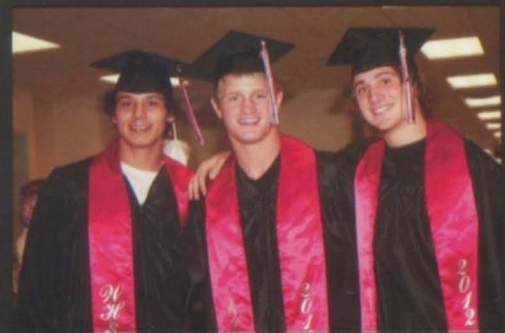

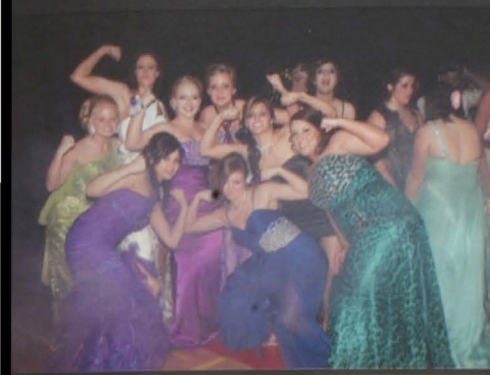

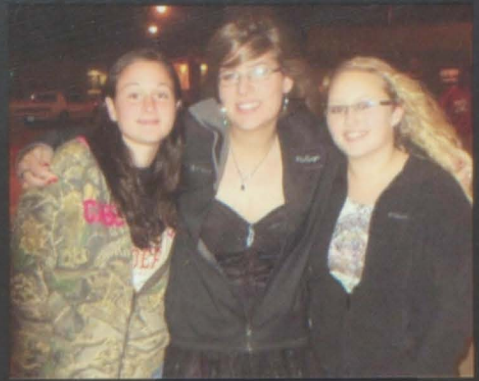

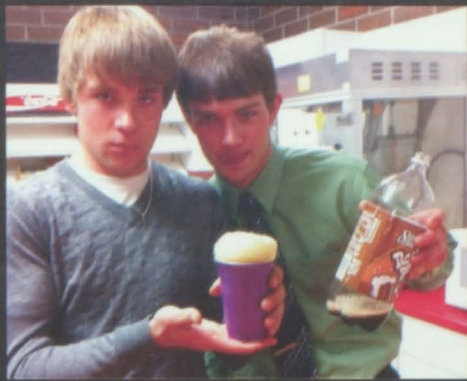

Erika Arpan  
"I can't choose just one memory, it was all a good time."

Mikaela Anderson  
"Good one Ryan!!"

## Fundraisers and Activities

### Homecoming Theme

To begin the Homecoming season, the Student Council must first decide on a theme that all students would agree.

### Dress-up Days

Student Council members assign themes for Homecoming week that influence students to get involved by dressing up.

### Class Challenge

For each day of Homecoming week, the Student Council must choose a variety of games in which Freshman through the Senior class must compete for glory.

### Pizza Eating Contest

At halftime of the Homecoming game, four students from each grade volunteer to eat as much pizza as possible. The winners would gain points for the overall Class score.

### Talent Show

When Homecoming week comes to an end, the talent show is the last chance for grades to receive points. Students from the high school are able to volunteer themselves to showcase their talents on stage.

### Ice Cream Sundaes

Members sell ice cream sundaes at sporting events to raise money for the Student Council.

### Veterans Day Program

Each year, the Wagner Community School hosts a local Veterans Day program in which the Student Council greet Veterans and the President is a speaker.

### Hat Day

This year, the Student Council organized many hat days. The purpose of hat days are to raise money by allowing students to wear a hat for one dollar, and the money is given to an organization/family in need.
