Dedication

The Wagner Annual Staff would like to dedicate the 1980 edition of the annual to MYRNA MAE BARUTH. She was born on November 27, 19??. She has one brother. Her family lived on farm. MISS BARUTH went to high school at Alpena and went to college at Huron College. Her major was math and her minors were natural science and social studies. After college, she moved to Wagner and started teaching in September of 1967. Her hobbies are mystery reading, puzzles, and sports. She keeps scores at all basketball games and supervises the concession stand. MISS BARUTH is also the advisor for cheerleaders, drill team, and pep club. Once she took a try in acrobatics, but decided to quit after falling off her chair. During the past twelve years, MISS BARUTH has been a part of the students' lives here at Wagner Community School. We'll always wonder what she's been up to everytime we see her mysterious smile.

The image features a large, upward-pointing triangle composed of the word "ACTIVITIES" repeated many times. The text is white and set against a dark, starry background. The stars vary in size and brightness, with several prominent four-pointed stars. The word "ACTIVITIES" is arranged in a grid that tapers towards the apex, creating a strong sense of depth and perspective. The overall effect is one of vastness and activity, suggesting a journey or a path towards the top of the frame.

... of the End.

THE BEGINNING OF THE END...

It's time now to go
our own ways.
To leave our childhood years in the past
and look to the future.

All those years of growing up
and learning will be put to the test.

We will say our last "good-byes"
and a brief "keep-in-touch"
will mark the end of our childhood
and the beginning of a life full of responsibilities and challenges.
